

PUPIL EQUITY FUND PRIORITY AREAS 26-27

Supporting our learners to **thrive**, feel **included** and **achieve** their best.

Our Pupil Equity Fund will focus on two key priorities:

1

SUPPORTING HEALTH & WELLBEING

We will invest in support that helps our learners feel safe, healthy and ready to learn.

- Blueheart Counselling Service – Home link working
- Professional counselling support for identified pupils
- Improves mental health and emotional wellbeing
- Helps increase attendance and engagement
- Measured using attendance data and wellbeing measurements (YP-Core / Child Outcome Rating Scale)

Impact for learners:
Improved wellbeing, better attendance, and a more positive outlook.

2

REMOVING BARRIERS TO LEARNING

We will provide targeted support in school to remove barriers and help learners succeed.

- Learning Support Assistant (LSA) support
- Additional in-school support for pupils
- Helps with learning, confidence and engagement
- Supports access to learning and positive relationships
- Monitored through attainment, engagement and wellbeing data

Impact for learners:
More confident learners who are engaged and making progress.
